PROBLEM

Three things will happen next. **First**, the MC will get captured or trapped. **Next**, MC will see the Troublemaker. **Then**, the Troublemaker will say what he or she intends to do to the MC.

Describe how the MC gets caught.

Describe what the place looks like where the MC is trapped. Tell how the MC feels.

Describe the Troublemaker. Tell what he or she looks like, smells like, and sounds like.

What does the Troublemaker intend to do to the MC?
